Thank You Donors!

In 2021, TCACTION was fortunate to receive generous donations from our supporters- over \$10,000 from 38 donors!! These donations were used to supplement our grant funds and increase our community impact as we moved our mission forward.

Did you know you can give a designated donation to any program?

Community Services: Food Pantry

In 2021, our Food Pantry Program served many households who had never been to a food pantry or had not used one in a long time. Some households use the pantry as their only source of food, some use the pantry to stretch their food stamp dollars, and some use the pantry to supplement their food budget. Our Food Pantry staff and volunteers enjoy meeting people, sharing stories, and seeing smiling faces.

From January to December 2021 our Food Pantry Program served 1,765 households/4,976 individuals which includes:

1,620 children
3,001 adults
355 seniors

We use an online order process where households select items based on their dietary needs and preferences (use the QR code below or visit our website). If a household doesn't have access to the internet orders can be placed by phone. A staff will schedule a pantry pick up time during the hours listed below.

The menu options change weekly. We pride ourselves in our variety of food choices including meats, fresh fruits and vegetables.

There is no income limit for our pantry, we serve anyone in need of food. We offer delivery service to households who are disabled, lack transportation or are in quarantine using a referral process. In addition to delivery we schedule pick up appointments and have also extended our Wednesday pick up hours to 5:15pm.

Coming soon- Pantry Meals To Go

Stay tuned for what this new year will bring!
